

## Certificate of excellence

**11<sup>th</sup> Edition of the Options Trading Simulation**  
**From September 25, 2017 to December 1, 2017**

awarded to

UNIVERSITY OF WATERLOO

---

**WaterlooWorks**

Hugh Nguyen

The 11<sup>th</sup> edition of the Options Trading Simulation is held during the 2017 fall term and runs for ten weeks. Each team is given a virtual cash account of \$100,000 to build their options portfolio and must choose at least ten Canadian options classes from the 100 most active TSX securities. Each team must execute four predefined options trading strategies as well as two surprise strategies.
